

# Y...BUILDING CONFIDENCE, SAVING LIVES

## Washington Community Y Pool Capital Campaign

The YMCA teaches over 1,000,000 swim lessons in the USA every year. Locally the YMCA of Washington County teaches on average 550 lesson per year. Our ability to continue to offer this vital lifesaving skill depends on us building a new pool. Fortunately, where some see obstacles, we see opportunities for our members, volunteers and staff to make a difference.
